1809/097

To consider the Town Square Premises Licence and whether the Council wishes to appoint a Designated Premises Supervisor (DPS). Further information relating to this item, including financial implications, had been issued with the agenda. The Assistant Clerk advised members that as a DPS has not been assigned to the Town Square premises licence, the Farmer's Market is currently not licenced to sell alcohol. Without an assigned DPS, the Farmer's Market has to apply for a Temporary Event Notice (TEN) for each market at a cost of £21 per time. The Assistant Clerk explained that to be a DPS, you must hold a personal licencing qualification and, despite exploring a variety of avenues, the Town Clerk has not been able to find someone with a personal licence and willing to be assigned as the DPS.

To assign a DPS, the Council will have to follow the process set out below:

- Send individual on a course to gain personal licencing qualification: Example course found costing £156
- Apply for a basic Disclosure & Barring Service (DBS) check: £25
- Apply to MDDC for a Personal Licence: £37
- Apply to MDDC to assign individual as DPS: £23

Cllr Wyer expressed that he would be willing to be appointed as the DPS and go on the necessary courses to do this.

It was **resolved** to arrange for Cllr Wyer to be assigned as the DPS and book him onto the necessary courses. It was further **resolved** to allocate £250 to cover the cost of the process. (Proposed by Cllr Harris) Cllr Letch suggested asking the Farmer's Market for a contribution towards the associated costs of assigning a DPS. Members agreed and thanked Cllr Wyer for volunteering.

1809/098

To consider correspondence received from Mid Devon District Council regarding the request for the installation of a drinking fountain by the play area in Newcombes Meadow and agree a course of action. Further information had been issued with the agenda. Cllr Letch suggested approaching the local schools to see if they would be willing to help fund such a project. It was **resolved** for the Council staff to investigate the costs involved in the installation, maintenance and inspection of a drinking fountain in order that the Council is better informed to decide how to proceed. (Proposed by Cllr Letch)

1809/099

To discuss further negotiations with Mid Devon District Council regarding the Crediton Council Office building and agree any actions required. The Chairman advised members that correspondence had been received from Mid Devon District Council (MDDC), last Thursday, 13th September 2018 requiring the Town Council to give vacant possession of the ground floor offices by 19th September 2018.

Following this, MDDC sent another letter, received by the Town Council on Monday, 17th September 2018 giving the Town Council 2 months' notice to vacate the ground floor offices. Two months' notice is the minimum requirement stated within the new lease extension with MDDC which runs until the end of December 2018.

Cllr Letch explained that the Town Council has already paid a year's rent and service charge for the Council Offices for the period up until 31st March 2019.

Cllr Letch confirmed that Mr Andrew Busby, MDDC, has spoken to Community Transport and Citizens Advice, however nothing has been signed or decided. Cllr Letch was keen to ensure that both organisations are keeping their Crediton staff informed.

The Assistant Clerk advised that the notice served by MDDC needed to be signed and returned and Cllr Letch agreed to do this on behalf of the Town Council. Members agreed that the public needed to be made aware of the situation and agreed for the Council staff to erect notices outside the Council Building and on the Council's website to inform residents that 2 months' notice has been served to the Town Council.

The Assistant Clerk confirmed that the lease for the proposed new premises was still being pursued and no further update was available at this time.

Cllr Letch confirmed that nothing has been signed yet in relation to the sale of the building and requested for designated authority to be granted for him and the Town Clerk to negotiate further with MDDC officers.

It was **resolved** for Cllr Letch and the Town Clerk to be granted designated authority to negotiate further with MDDC officers, however these negotiations would be discussed further in Part Two. (Proposed by Cllr Harris)

Cllr Ross provided a report which is attached to the minutes as Appendix Four.

Appendix Four

Councillor Report 18th September 2018

1. **Sustainable Crediton** have been busy organising forthcoming Clothes Swap and Seed Share events and a series of Social events and are working with DCC on other future events.
2. **The League of Friends of Crediton Hospital and its Community Patients** were able to award donations to both Age Concern and the Community Transport. The donation to Community Transport is to be negotiated to allow a reduced transport rate for Age Concern and also in addition to a separate donation to Age Concern.
The Community bookshop will also benefit from a donation to assist with a series of events in connection with their proposed "Big Read" events which are intended to lead up to and culminate during the "Cred Fest".
The League of Friends are particularly pleased to be able to contribute towards the health and wellbeing of the Town via local Community groups on this occasion.
3. I have not been approached by the **Chamber of Commerce** so am unable to report.

John Ross
