Mad Hatter's Tea Party

There hasn't been a Mayor's Reception for two years! Pre-Covid, it was usually on a weekday evening in May at the Boniface Centre. This year it's going to be on a Saturday afternoon in Newcombes Meadow on 9 July.

Entertainment will be at 3 pm, with a very adapted Alice in Wonderland performed by Common Players Theatre Group. The Queen has invited everyone to her Jubilee garden party – or is it a Mad Hatter's tea party? We'll find out!

*This year's
"Mayor's Reception"*

Haywards and Landscare school pupils will play a small but no doubt significant part in the proceedings.

This will be a free event – all are invited and all shall have cake - served by Credition Youth Centre (donations accepted). Look out for more information nearer the date. Community groups will receive their own invitations to attend the reception.

Crediton Climate Emergency

Crediton Town Council is aiming to make its operations as carbon neutral and environmentally responsible as we can. We plan to stop using weedkillers in the town and to encourage areas for wildlife wherever possible. We are keen to support voluntary action in local neighbourhoods. A little work by a lot of people can make a big difference to the look of an area.

May 21, 10 am - 12 noon Crediton Town Councillors will lead a **Community Action Day** in the Beech Park area to tidy up, remove weeds and litter. Meet at the Beech Park play area 10 am. The council will provide bags, gloves and litter pickers.

The Town Council collaborates with other organisations and supports their projects wherever possible. After the successful COP 26 event at the Boniface Centre last November, a core group has continued to meet and have progressed the following projects, which are also promoted by Sustainable Crediton. Everyone is welcome to join in and
