152 To receive an update on Crediton Neighbourhood Plan and agree any actions.

Cllr Brookes-Hocking advised that Policy H2 of the Draft Neighbourhood Plan was found to be 'not in conformity with the National Planning Policy Framework and the Local Plan'. To this end, it requires rewriting and advice is being sought to do this. In addition to this, the Statement of Consultation now needs to be written.

153 To receive an update from the Climate Change and Sustainability Sub-Committee.

Cllr Brookes-Hocking updated members on the Sub-Committee's activities, which include a Climate Change and Sustainability Event being held on Saturday 15th February 2020 and a Peoples Assembly on Saturday 28th March 2020. She advised there has been a high level of community participation at the Sub-Committee meetings with lots of ideas and suggestions being brought forward. Unfortunately, there are very few people available and able to commit time to bring those ideas to life. For example, Cllr Martin (supported by Cllr Brookes-Hocking) is solely responsible for the event on Saturday 15th February. Members of Crediton Extinction Rebellion have been dedicating time to the Peoples Assembly on 28th March by pulling together the speakers for the event. Cllr Brookes-Hocking warned that it will require a lot of administration work for the Town Council.

154 To consider and comment on Mid Devon District Council's Schedule of Proposed Main Modifications to the Local Plan including the Sustainability Appraisal Addendum, Habitat Regulations Assessment Addendum, and an Addendum to the Equalities Impact Assessment.

Further information had been issued with the agenda. It was felt that the Crediton Neighbourhood Plan Group was best placed to prepare a response on the Council's behalf. It was **resolved** to delegate the responsibility of commenting on Mid Devon District Council's Schedule of Proposed Main Modifications to the Local Plan including the Sustainability Appraisal Addendum, Habitat Regulations Assessment Addendum, and an Addendum to the Equalities Impact Assessment to the Crediton Neighbourhood Plan Group. (Proposed by Cllr Brookes-Hocking)
