MDDC Assets Transfer/Finance Sharing Report

Report by: Town Clerk

To: Oversight Committee

Date: For consideration on 15 October 2024

Recommendation

To consider the report and agree any further actions, for consideration in November by the Oversight Committee and Full Council.

1. Purpose

1.1 This report provides an overview of the ongoing dialogue between officers at MDDC and CTC

2. Background

- 2.1 Following the letter received from MDDC in November 2022, the Town Clerk has remained committed to an open dialogue with them regarding future services for Crediton.
- 2.2 A list of assets and responsibilities were requested, and a copy of the document has been provided separately to members. The document highlights service areas and assets held by MDDC, but does not necessarily show an accurate cost.
- 2.3 MDDC are projecting a £661,000 shortfall in funding for the financial year 2025/26.

3. Proposals

- 3.1 To review the document, noting areas that require further discussion.
- 3.2 A further request for financial assistance relating to the paddling pool has been made. Major investment is required and an urgent response is required as to whether CTC can provide funding circa £20,000.00.
- 3.3 The Town Clerk suggests consideration of the following:
 - Town Square (not on asset list sent in July) That CTC receives the asset as a transfer and maintains it fully (CTC already undertake all bookings, except for the Farmers Market). There has been discussion previously about taking on the Market Street toilets alongside, but CTC would not necessarily be able to do this straight away (and it is worth noting that investment is required in them), but that a discussion is maintained about a future transfer of them which is not chained to the asset transfer of the Town Square
 - Open spaces That CTC considers the transfer of all parks in Crediton, including Newcombes Meadow and the infrastructure in it. CTC should consider a joined-up consultation on the future and possible consolidation of play areas, to eventually remove play equipment from the smaller parks to create amenity space and to ensure their maintenance, but to invest in the larger parks and to create a Play Strategy for the town.
 - Cemetery That CTC consider a transfer of this asset, taking on full maintenance and responsibility for interments.
 - -Storage at Union Road It is understood that there is an MDDC-owned storage room in this location, which was used by what was once the 'parish sweeper'. CTC would welcome any type of storage in Crediton and would appreciate a discussion on its use and whether it can be used and maintained by CTC.

4. Financial Implications

4.1 There will be financial implications in taking on either assets or providing a financial contribution to MDDC. The Town Clerk has started to undertake costing exercises, but is has been difficult to do so without the relevant information. Should CTC wish to fully investigate service areas, costings will be

5. <u>Climate Implications</u>

5.1 There are no specific climate implications arising from this report, but further investigation will be undertaken.

6. Conclusion

- 6.1 Should CTC not wish to take on any assets or provide financial assistance, it may be that some services are cut or delivered less frequently.
- 6.2 Detailed consideration of financial requirements will be required to ensure that the delivery of any future service, whether delivered by MDDC or CTC, are value for money and sustainable.

SEXUAL HARRASSMENT POLICY

SCOPE

Crediton Town Council (CTC) deplores all forms of sexual harassment and seek to ensure that the working environment is safe and supportive to all those who work for us. This includes employees, workers, agency workers, volunteers and contractors in all areas of CTC.

INTRODUCTION

- All members of staff are entitled to be treated with dignity and respect in their place of work.
 This means freedom from sexual harassment, feeling safe and supported, and having access to redress if such behaviour does arise.
- 2) Sexual harassment takes many forms but whatever form it takes, it is unlawful under the Equality Act 2010 as amended.
- 3) The law requires employers to take reasonable steps to prevent sexual harassment of their workers. CTC will take action to prevent sexual harassment from occurring and have clear reporting procedures for staff to make a complaint about sexual harassment. If you have been sexually harassed, or you have witnessed sexual harassment, you are encouraged to tell us so that we can deal with the matter swiftly.
- 4) CTC has overall responsibility for the operation of this policy but may delegate elements of implementation or decision making to the Town Clerk. The Town Clerk will maintain an opendoor policy. All members of staff have a responsibility to behave in line with the requirements of this policy.
- 5) Instances of sexual harassment or victimisation may lead to disciplinary action including termination of employment.
- 6) This policy is reviewed regularly to ensure it remains up to date and to monitor its effectiveness. Any changes required will be implemented and communicated to staff and councillors.

DEFINITIONS

- Sexual harassment is unwanted conduct of a sexual nature which has the purpose or effect of violating a person's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for that person. It also covers treating someone less favourably because they have submitted to or refused to submit to unwanted conduct of a sexual nature, or that is related to gender reassignment or sex.
- 2) Sexual harassment may be committed by a fellow worker, an agent of an organisation, or a third party. It does not need to occur in person. It can occur via digital means including social media sites or channels e.g. Whats App. Someone may be sexually harassed even if they were not the target of the behaviour. Examples of sexual harassment include, but are not limited to:
 - a) sexual comments or jokes, which may be referred to as 'banter'
 - b) displaying sexually graphic pictures, posters or photos

- c) suggestive looks, staring or leering
- d) propositions and sexual advances
- e) making promises in return for sexual favours
- f) sexual gestures
- g) intrusive questions about a person's private or sex life or a person discussing their own sex life
- h) sexual posts or contact in online communications including on social media
- i) spreading sexual rumours about a person
- j) sending sexually explicit emails, text messages or messages via other social media
- k) unwelcome touching, hugging, massaging or kissing.
- 3) Victimisation is subjecting someone to detriment because they have done, are suspected of doing, or intend to do an act which is protected under discrimination and harassment laws. It is not necessary for the person to have done the protected act in order for detrimental treatment to be considered as victimisation.
- 4) The protected acts are:
 - a) making a claim or complaint under the Equality Act 2010 (for example, for discrimination or harassment)
 - b) helping someone else to make a claim by giving evidence or information in connection with proceedings under the Equality Act 2010
 - c) making an allegation that someone has breached the Equality Act 2010
 - d) doing anything else in connection with the Equality Act 2010.
- 5) Examples of victimisation may include:
 - a) Failing to consider someone for promotion because they have previously made a sexual harassment complaint
 - b) Dismissing someone because they accompanied a colleague to a meeting about a sexual harassment complaint
 - c) Excluding someone from work meetings because they gave evidence as a witness for another employee as part of an employment tribunal claim about harassment.

CIRCUMSTANCES WHICH ARE COVERED

This policy covers behaviour which occurs in the following situations:

- a) a work situation
- b) a situation occurring outside of the normal workplace or normal working hours which is related to work, for example, a working lunch, a business trip or social functions
- c) outside of a work situation but involving a colleague or other person connected to CTC, including on social media
- d) against anyone outside of a work situation where the incident is relevant to your suitability to carry out the role.

A) WHAT TO DO IF YOU ARE SUBJECT TO SEXUAL HARASSMENT OR VICTIMISATION

1) We are committed to ensuring that there is no sexual harassment or victimisation in our workplace. Allegations of sexual harassment and victimisation will be treated as a disciplinary

matter, although every situation will be considered on an individual basis and in accordance with the principles of our disciplinary procedures, a copy of which is available from the Town Clerk.

2) Informal complaint

We recognise that complaints of sexual harassment or victimisation can be of a sensitive or intimate nature and that it may not be appropriate for you to raise the issue through our normal grievance procedure. In these circumstances you are encouraged to raise such issues with a senior colleague of your choice or a councillor, (whether or not that person has a direct supervisory responsibility for you) as a confidential helper. This person cannot be the same person who will be responsible for investigating the matter if it becomes a formal complaint.

- 3) If you experience sexual harassment and you feel comfortable to do so, you should make it clear to the harasser on an informal basis that their behaviour is unwelcome and ask the harasser to stop. If you feel unable to do this verbally then you should hand a written request to the harasser, and your confidential helper can assist you in this.
- 4) In addition, you may also choose to raise concerns during your regular communication with the Town Clerk. They will listen to you and take your concerns seriously if you do this but may encourage you to follow the reporting procedures set out below.

5) Formal complaint

Where the informal approach fails or you do not wish to use the informal procedure, you should bring the matter to the attention of the Town Clerk as a formal written complaint and again your confidential helper can assist you in this.

If possible, you should keep notes of what happened so that the written complaint can include:

- a) the name of the alleged harasser
- b) the nature of the alleged harassment
- c) the dates and times when the alleged harassment occurred
- d) the names of any witnesses
- e) any action already taken by you to stop the alleged harassment.
- 6) On receipt of a formal complaint, we will take action to separate you from the alleged harasser to enable an uninterrupted investigation to take place. This may involve a temporary transfer of the alleged harasser to another work area, a change of working times, or suspension with contractual pay until the matter has been resolved.
- 7) The person dealing with the complaint will invite you to attend a meeting, at a reasonable time and location, to discuss the matter and carry out a thorough investigation. The meeting will normally be held within five working days of receipt of your complaint. You have the right to be accompanied at such a meeting by your confidential helper or another work colleague of your choice and you must take all reasonable steps to attend. Those involved in the investigation will be expected to act in confidence and any breach of confidence may be dealt with under the disciplinary procedure.
- 8) On conclusion of the investigation, which will normally be within ten working days of the meeting with you, the decision of the investigator, detailing the findings, will be sent in writing to you.
- 9) You have the right to appeal against the findings of the investigator. If you wish to appeal you must inform the Town Clerk within five working days. You will then be invited to a further meeting.

- 10) Following the appeal meeting, you will be informed of the final decision, normally within ten working days, which will be confirmed in writing.
- 11) Regardless of the outcome of the procedure, we are committed to providing the support you may need. This may involve mediation between you and the other party or some other measure to manage the ongoing working relationship.
- 12) You will not be victimised for having brought a complaint.

B) WHAT TO DO IF YOU WITNESS SEXUAL HARASSMENT OR VICTIMISATION

- 1) If you witness sexual harassment or victimisation, you are encouraged to take action appropriate action to address it. You should not take any action that may put you at risk of sexual harassment or other harm. If you feel able, you should intervene to prevent the matter continuing. If you are not able to do this, your action may include offering support to the person who has been sexually harassed and encouraging them to report the incident or reporting the incident yourself.
- 2) If reporting the incident, you should bring the matter to the attention of the Town Clerk in writing.
- 3) Your concerns will be handled by the Town Clerk who will sensitively talk to the person subject to sexual harassment to determine how they want the matter to be handled.

C) THIRD-PARTY SEXUAL HARASSMENT

- 1) Third-party sexual harassment occurs when one of our workforce is subjected to sexual harassment by someone who is not part of our workforce but who is encountered in connection with work. This includes our customers, suppliers, members of the public, friends and family of colleagues, delegates at a conference, audiences, self-employed contractors etc).
- 2) Third-party sexual harassment of our workforce is unlawful and will not be tolerated. The law requires employers to take steps to prevent sexual harassment by third parties.
- 3) The law does not provide a mechanism for individuals to bring a claim of third-party harassment alone. However, failure for an employer to take reasonable steps to prevent third-party sexual harassment may result in legal liability in other types of claim.
- 4) In order to prevent third-party sexual harassment from occurring, we will:
 - a) attach signage to the walls of the areas within the workplace where customers are present to warn that sexual harassment of our staff is not acceptable
 - b) inform third-parties i.e. suppliers of our zero-tolerance sexual harassment policy within our supplier documentation.
- 5) If you have been subjected to third-party sexual harassment, you are encouraged to report this as soon as possible to the Town Clerk.
- 6) Should a visitor sexually harass a member of our workforce, we will warn the individual about their behaviour and possibly ban them from visiting. Any criminal acts will be reported to the police.

7) We will not tolerate sexual harassment by any member of our workforce against a third party. Instances of sexual harassment of this kind may lead to disciplinary action including termination of employment

D) DISCIPLINARY ACTION

- 1) If the decision is that the allegation of sexual harassment or victimisation is well founded, the harasser/victimiser will be liable to disciplinary action in accordance with our disciplinary procedure up to and including summary dismissal. An employee who receives a formal warning or who is dismissed for sexual harassment/victimisation may appeal by using our disciplinary appeal procedure.
- 2) When deciding on the level of disciplinary sanction to be applied, we will take into consideration any aggravating factors affecting the case. One example of aggravating factors is an abuse of power over a more junior colleague.
- 3) If, due to the investigation, it is concluded that your complaint is both untrue and has been brought with malicious intent, disciplinary action will be taken against you.

E) TRAINING

- 1) We provide training to all our staff on sexual harassment to ensure there is a clear understanding of, amongst other things, what sexual harassment is and how it may occur, that it will not be tolerated, expected levels of behaviour, how they can report any incidents of having been sexually harassed or having witnessed it and that acts of harassment will be dealt with under the disciplinary procedure potentially resulting in dismissal.
- 2) We ensure that all managing staff and councillors are trained on implementing this policy including preventing and managing sexual harassment in the workplace, and the procedure to follow if an allegation is reported.
- 3) We will regularly review the effectiveness of our training.
- 4) We provide refresher training as appropriate.

Pensions Report

Report by: Cllr Backhouse

To: Oversight Committee

Date: For consideration on 15 October 2024

Recommendation

The Oversight Committee is recommended to consider writing to Devon County Council (DCC), urging them to divest from unethical investments.

1. Purpose

To request that DCC cut connections with unethical investments and adopt a policy of investing in ethical companies only and to speak up about war crimes.

2. Background

The most recent conflict between Israel and Palestine began almost exactly 1 year ago.

DCC's pension funds include several companies which provide Israel with arms, some of which will almost certainly have killed some of the 20,000 children who have tragically lost their lives in Gaza over the last year. County Councillor Jacqui Hodgson has asked DCC to commit to investigating the withdrawal of funds of £84 million from companies involved with providing weapons to Israel. These include Rolls Royce (£1,951,241), Barclays Bank (£12,889,533), BAE Systems (£4,969,449), and Babcock (£360,850).

This process is not straightforward, but other councils have begun to set a precedent.

Waltham Forest Council approved a series of amendments to its 'ethical investment policy' at a special pensions meeting on 22 July 2024. Whilst this will be a time consuming process, it follows the council's decision to divest from fossil fuel companies. A Freedom of Information request (FOI), showed that Waltham Forest money had been invested in companies linked to the production of Israeli fighter jets, bulldozers, and white phosphorus, which can burn through bone and is heavily regulated. Councils in Slough, East Sussex and the Lothian pension fund are also taking the first steps to divest.

3. Proposals

Following DCC's deferral of consideration of divesting in companies that campaigners say are "contributing" to the war between Israel and Hamas, a request is made by Crediton Town Council (CTC) that it writes in support of County Councillor Jacqui Hodgson's motion at DCC's Council meeting on 05 September 2024, stating that:

- Further to withdrawing over £2 million in investments from companies selling arms to Israel, CTC seeks confirmation that Devon County Council commits to investigating withdrawing the £84 million that remains invested through its investments and pension funds in such companies, including Rolls Royce (£1,951,241), Barclays Bank (£12,889,533), BAE Systems (£4,969,449), and Babcock (£360,850)
- CTC requests that DCC seeks immediate withdrawal of these investments, particularly in light of the tragic loss of over 20,000 children in Gaza
- CTC asks that DCC's pension fund does not support activities contributing to such atrocities and that DCC will seek to fully divest from these companies and to uphold values of peace, justice, and ethical responsibility.

4. Financial Implications

It is impossible to predict what the financial implications would be, should DCC make this decision. They would be making the decision on the belief that not contributing towards atrocities is of greater importance. It is a possibility that companies not linked with war could be found which provide equal or even better returns for pension holders.

5. Climate Implications

DCC should seek to divest from companies linked with providing weapons, some of which contribute massively to climate change. It should instead seek to invest in carbon neutral companies for example those involved with renewable energy.

6. Member comments

This report has been written by Cllr Backhouse, with the proposal to write to DCC in relation to item 3 of this report.

7. Conclusion

CTC employs staff who have pensions with DCC, and has a responsibility to ensure these have an ethical basis. It also has a responsibility to raise awareness about this issue among its residents, many of whom also work for and have pensions via DCC.
