The decisions were noted.

13 BUS SHELTER COMPLAINT

It was agreed for Cllr Perriman as representative for Friends of Crediton Station to enquire who might be the best contact at Network Rail as they are likely the landowners. Cllr Brookes-Hocking suggested to ask Full Council for approval to release funds to move the redundant shelter to the desired location at Redlands.

14 DCC TRAFFIC AMENDMENT ORDER - TRO - ENV ID 6076

Cllr Huxtable advised he has sent an email to DCC to ask the reasons for the TRO, as they have not been listed. He will speak to the local residents to enquire why this is being done. Members could not see any reason for the parking being taken away but appreciate property is being damaged by delivery vehicles due to access difficulties.

15 ALLOTMENTS

Cllrs Fawssett and Huxtable agreed to support the Administrative Officer with allotment inspections where possible.

16 MDDC WASTE AND RECYCLING DROP-IN SURGERIES

Members agreed to email the Administrative Officer with any problem areas where residents are not recycling. East Steet council flats and Baptist Chapel Court were recognised as areas of concern.

17 JOCKEY HILL

The Deputy Clerk advised that an email had been sent to Cllr Frank Letch from a local resident, regarding the serious incident at the bottom on Jockey Hill on 12 May and general speeding issues in that area. The resident requested a speed camera be installed. This request was sent to Devon County Council (DCC) and the response from DCC's Safety Team was in line with those received previously explaining that the data for Jockey Hill shows that the average speed was compliant so at present DCC would not be involved. Following this, DCC's Safety Team followed up with a second response advising that the validated data for the last five years 2018 – 2023 shows during this time there have been two. Jockey Hill does not qualify to be considered under its cluster review process, based on the number of recorded injury collisions.

Cllr Huxtable advised that DCC's data is not consistent with the evidence gathered from the local Speed Watch team, which has recorded several instances of speeding. Cllr Huxtable suggested that more Speed Watch sessions are organised on Jockey Hill, with all speeds noted and recorded in order that evidence of excess speed can be collated, and a case presented to DCC.

Decision: It was **resolved** to record and collate additional data, via Community Speed Watch sessions, and build a case to put forward to DCC. (Proposed by Cllr Huxtable).

Task: Collect Speed Watch Data on Jockey Hill @Steve Huxtable

18 LITTER BINS NEAR TARKA VIEW

Decision: It was agreed to approach Mid Devon District Council (MDDC) and request the installation of a bin at the bottom of one of the footpaths that joins Tarka View and Exeter Rd, or whether an existing bin at the Wellparks bus stop could be relocated to this position as the bus stops are no longer in use. It was agreed to assess which option would be more cost effective.

Task: Contact MDDC to request installation of a bin @Deputy Clerk

It was also requested that staff contact the Tarka View developers or management company to find out when the hedge will be cut as the footpath on Exeter Road is impassable in places.

Task: Contact Tarka View developers or management company to find out when the hedge will be cut as the footpath on Exeter Road is impassable in places. @Administrative Officer

19 CREDITON URBAN TASKFORCE [CUT!]

Cllr N Letch provided an update following a productive session around the War Memorial on 1 June. Cllr Letch expressed the need for more volunteers and planned to include a piece in the Courier encouraging residents to maintain the area outside their home if they do not have time to come along to the [CUT!] sessions. It was agreed to publicise this in the next newsletter.

20 BRITIAN IN BLOOM 2024

The Deputy Clerk advised that the Britain in Blooms judges will be visiting on 16 July and Bert will be joining them on the judging route. 9 It's Your Neighbourhood entries will be judged on the same day.

Cllr Huxtable suggested linking this to the [CUT!] publicity discussed previously and encourage residents to send in before and after photos if they tidy the areas outside their homes in readiness for the judging.
