The Assistant Clerk explained that the Council's solicitor advised that the cob wall is a party wall, however there is no way of proving this. The suggestion would be to have a specialist inspect the side on Peoples Park and request that the owner of the adjacent property has the other side inspected. It was **resolved** to obtain quotations for the condition of the wall to be assessed and to contact the adjacent property asking them to assess the condition of the wall on their side. (Proposed by Cllr Harris)

47 To receive an update on the installation of two grit bins to be located at Spruce Park and Butts Park and agree any actions.

The Assistant Clerk explained that the bin at Spinning Path Gardens Play Area is not on an emptying rota currently. After visiting the play area, the Assistant Clerk identified that the bin has been lined with a bag and at the time of visiting the bag was empty. This suggests a local resident may be emptying the bin at present, however to do this the lid must have been forced off despite being locked.
